PRESIDENT'S MESSAGE

Winter approaches. Hopefully a good number will enjoy tennis over the next few months. I am sure some "warm" evenings at least will eventuate around the heater and bar.

It is intended to attempt having at least 1 bay of grass available when possible - remember weather and circumstances change. If grass courts are marked "no play" there is a reason - please abide by the signs.

Our new vertigroover appears to be a good "investment". The courts are already showing benefit from its use.

As most are aware Craig Ellis has resigned as curator, Jamie Chute has taken over. Thanks Craig for the efforts put in over past few years and for the assistance given to Jamie in the "hand over".

We have been notified by the Ministry of Sports and Recreation that we have been awarded their grant towards our building renovation. We now wait on South Perth Council's decision re their grant - probably late June. Plans have been submitted to the Council and a final decision re extent/possible staging of renovations depends on outcome of Council grant.

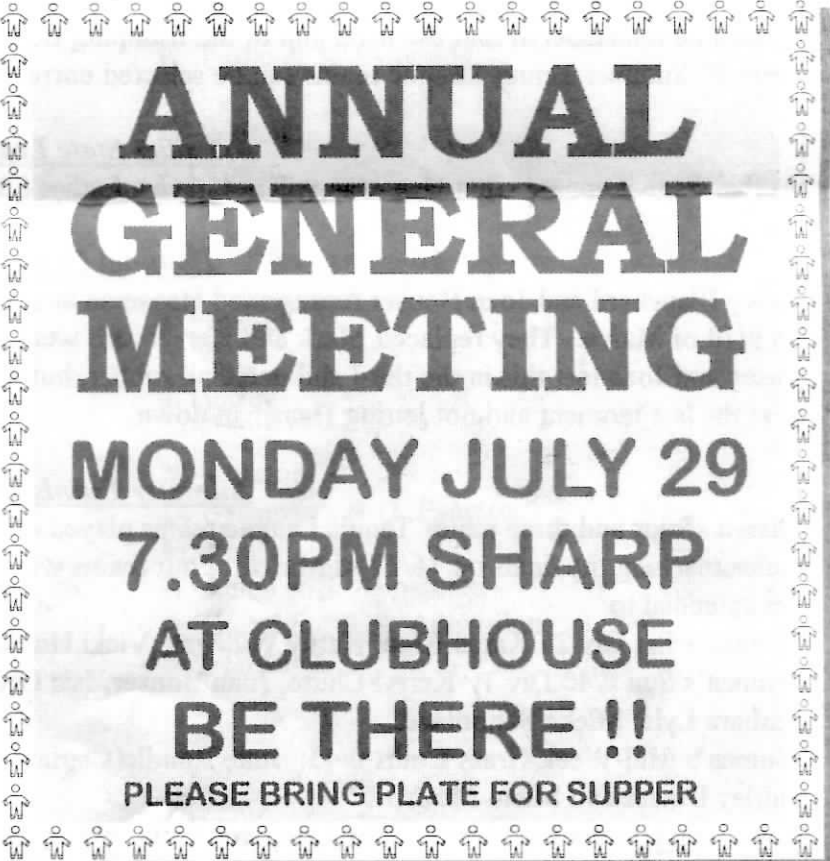

The Annual Dinner was a great success. It is great to see so many members enjoying the event. Thanks to Randy and all his helpers for a great effort.

Club championships are over. Once again congratulations to all Tennis League winners and Club Tournament winners. Thanks to all who participated. Ken McIntosh, Pam Smith and their team maintained their usual efficient standard - thanks to you all.

Remember the AGM on July 29. This is one if not the most important event in the club calender. Hope to see you all there.

Good tennis (and golf) over winter.

NORM BURKETT President

Thursday Night Tennis

Thursday night social tennis finished up on the 21st March and most of the players enjoyed a Wind-up dinner at Citrons in Applecross on the 28th of March. Thanks to Nicole and Lynette for organising the dinner. Prizes presented on the night were:

- Winning team with 820 games, The Possums - Geoff, Peter, Debbie, Cec, Leanne, Helen and Pam
- Most games, Men - Colin Napier 124 Women - Sharon Lampard 123
- Best Average, Men - Geoff Ivanac 4.0 Women Sharon Lampard 4.2
- Wooden Spooners, Warren, Ken, Kendal, Nicole, Sue, Steve

Ken McIntosh invited all participants to a free 3 hour lecture the following week so they could all learn and understand his scoring system - nobody turned up!

It is hoped that Thursday night social tennis team competitions will run again from October to December 1996, and February to March 1997.

In winter night tennis is available on Mon, Tues and Wed with Tennis Success - phone 474 1214.

Bumping Boards

All sections of the Clubs Bumping Board were reassessed as a result of the recent Club Championships and are now displayed on the Club notice boards. Some players were promoted as a result of winning matches against previously higher ranked players. In some cases it was extremely difficult to determine "how far" a person should be promoted because of "inconsistent" or "once only" results in the club championships. In these cases the players results during the summer Tennis League season were also looked at. Where doubt still exists a players ranking has been marked as provisional.

The current bumping board lists displayed have been approved by the Board of Management. The Club Captains will organise grading matches to confirm provisionals ranking after October the 1st. Players may organize their own challenge matches also after October the 1st.

It must be remembered that the main aim of the Bumping Board is to list all players in their correct order so that 1996/97 Summer Tennis League teams can be selected correctly and fairly.

Ladies State League

At this stage it appears that Hensman will not have a Ladies State League Team for 1996/97 summer season.

Hyundai Challenge

Casey Blanchard and Joan Bonser represented Hensman in the semi-final of the Hyundai Challenge at the STC on 9/10 of March. They replaced Mark and Kerryl who were unable to play at the last moment. Unfortunately Casey and Joan lost this in the third and deciding rubber, but special thanks must be extended to them for filling in at the last moment and not letting Hensman down.

Summer Tennis League

Fifteen senior and three junior Tennis League teams played off in the semi-finals with five senior and two junior teams reaching the finals on 16/17 of March. Four teams were successful in winning Shields. Congratulations are extended to:

Women's Sat Div 2: Karen Klau, Kathy Williams, Vicki Houston(Captain), Isla Green and Michelle Logie.

Women's Sun 0/40 Div 1: Kerryl Chute, Joan Bonser, Isla Green, Pam Smith(Captain), Sharon Lampard, Barbara Lyle, Mieke Schooland.

Women's Mid-Week Grass Court 0/45: June Rundle(Captain), Joan O'Boyle, Margaret Napier, Jan Bogaards, Shirley Davies and Manu McCrow.

Boys 16 and under Division 2: Cam Burtram, Anthony Currall(Captain), Justin Bird, Scott Stevens.

STATE LEAGUE

Well, a great season which promised a lot, however due to unforeseen circumstances was disappointing for the finals. Because of the unavailability of No.1 Mark Hlawaty and No.2 Ashley Burton we were severely depleted in the semi-finals and consequently failed to progress to the final.

Nevertheless it was a great season with some outstanding results, especially in the doubles combinations which proved virtually unbeatable.

This year for the first time we had a "Best and Fairest" award. The count was held on a Saturday night at the club. A fun night was had by everyone due to participation in a "Calcutta Sweep" and a terrific pasta meal being served. The vote count was a tense contest with the result in doubt until the last round. Finally Mark Hlawaty and Ashley Burton tied with 18 points each, followed by Mark Williams with 17 points. This was an excellent effort from Mark Williams in his first year of State League, which included missing 2 weeks due to his selection in the WA Linton Cup team.

We had several State League functions this year, including a champagne breakfast and a champagne lunch, the lunch lasting until well into the afternoon. Ken Houston's private cellar was raided when the bar ran out of champagne!!!!

A big thanks to the team for a great year, and to the club members who supported the team at matches and functions, the year wouldn't have been as successful without you all.

CLEM OVERHEU began his association with Hensman in 1975, 2 years after retiring from active farming and moving to Perth. He was elected to the committee in 1978, held the Captain's position from 1980-1982 and served as President between 1983-87, filling both offices with great distinction. During his captaincy Clem was instrumental in attracting the Country Week Championships to the Club, initially as the tournament headquarters and later as a subsidiary venue. As President he oversaw two significant club developments: major alterations and additions to the club-house and the introduction of a bay of synthetic courts - originally in the form of artificial grasscourts. In these - and other projects - he displayed a marked ability to get things done effectively and with a minimum of fuss.

Although not involved in an official club role in recent times, his enthusiasm for Hensman has not waned. He still enjoys regular social tennis as well as club tournaments and other events. Despite a few cracks and groans he even manages to maintain his good form on the court.

Clem can truly be classified as a "boy from the bush". Born in Pingelly, he grew up on a farm in Corrigin district and boasts the rare honour of being a product of the Lomos Primary School - certainly one of a very select few! He completed his secondary education at Northam High School before returning to the family farm, which he was later to take over as well as developing two other properties, - one at Esperance and the other at Munglinup. His direct farming career finished in 1973 when he and the family - wife Faye, daughter, Susan, sons Ian and Peter - moved to Booragoon. However he soon realised that suburban life was not for him and sought the more open spaces provided by a small property on the outskirts of Armadale, where he and Faye continue to live. Although he finally relinquished the last of his farming interests in 1981, Clem satisfies his need for involvement in some form of rural activity through a block at Serpentine which runs a few cows and includes a commercial crop of Tasmanian Blue gums.

Son Peter was in fact the first member of the Overheu family to join Hensman and the club owes him a debt on two accounts: firstly for his own contribution as a staunch member of the 'A' grade/state league sides over a number of years until sidelined with a major shoulder injury: and secondly for his role in introducing his father into the club.
