FROM THE PRESIDENT

With the warm, sunny weather more people are taking out their racquets and heading down to the Club. It is pleasing that we have had several new people join as members and quite a few visitors during the winter months. We look forward to increased activity as the 1998/9 season gets into full swing.

We had a good attendance at the Annual General Meeting and a few changes to the Board of Management.

We are sorry that **Marlene Howes** has decided not to renominate as Sponsorship Director due to study and work commitments. We thank her most sincerely for the time she put into this position and the new sponsors she has organised. **David McNeil** also was unable to continue as Social Director and we thank him for all he achieved and the new initiatives he tried. David has indicated he is prepared to continue to purchase kitchen supplies and assist Pam where possible. **Ken Smith** had a difficult year with health problems but in spite of this he organised the Social play very well. Sincere thanks to him.

The new Board of Management has some new faces. **John Bamfield** has taken on the important portfolio of Club Administrator. **Doug Napier** has taken over Finance, allowing **Mike Howes** to move to Social Play. **Pam Gardiner** has taken on the Social Events responsibility. **James Williams** took over the Men's Captain's role late last season and is continuing in that role while **Meike Schoolland** and **Joan Bonser** are carrying out the Ladies' Captain responsibilities. At present the Sponsorship portfolio is unfilled so I am grateful to **Lynnette Gardiner** for taking over the production of the Herald.

We have accepted a request to host the Governor's Tennis Team on 28th October. The Governor's team will consist of 12 players and we will field a team of the same number (men only). A few weeks later on 19 November we have invited a team from the Veteran's Association to visit Hensman. This will be both men and women.

As well as the tennis there is quite a lot of social happenings planned at the Club over the next few weeks. Take note of them and plan to be part of the 'social scene' as well as the 'tennis scene'.

We have decided to have a 'Back to Hensman' afternoon on Sunday 11 October. If you are a non-playing member you are specially invited to come along for a game. If you know someone who previously was a member of the Club, invite him/her back for the day. If he/she is no longer able to participate in the tennis suggest they come along for afternoon tea or drinks at the end of the day so they can renew friendships and see what the Club is up to nowadays.

Concern was expressed at the AGM about the morale of the Club and some cliqueness between groups. Let's get the new season off on the right foot and be positive about the future of tennis and the club by making an effort to include new members in your group and welcome visitors. We would also like to introduce some of the better and more mature juniors to Saturday and Sunday afternoon tennis so

I hope you will do all you can to make them feel comfortable and welcome. They will only improve if given encouragement so please play your part. We were all young and inconsistent and unsure of ourselves once - even if that was a long time ago for some of us.

Though Hensman is fortunate to have a large number of people who pitch in and help in so many ways we can always do with more volunteers. Speak to me or any member of the Board if you can help.

CRECHE

Unfortunately **Dallas Gill** is unable to continue to do the creche on Saturdays as she is pregnant and feels it is too much for her. We will miss her as she was great with the children. **Leanne Davy** is making enquiries for a replacement as we plan to continue with the Saturday afternoon creche.

WINTER TENNIS LEAGUE

Congratulations to the Men's Saturday Division 1 team of **Ashley Burton, Ryan Offer, Mark Tory** (captain), **Colin Napier, Blair Kenworthy, David Artingstall** and **Peter LeSurf** (reserve) who successfully defended their winter tennis league title and to the Men's Saturday Division 5 team - **Scott Wilson, Tim Johnston, Justin Schoolland, James Williams** (captain), **Ivan Zuvela** (reserve) and **Ken McIntosh** (reserve) who won their division.

Other team placings were:

Ladies Saturday Division 3 (captain **Denise Dalton**) finished fourth.

Men's Sunday Division 2 (captain **Bart de Ruwe**) finished third.

Ladies Sunday Division 2 (G) (captain **Julia Azzalini**) finished fourth.

Ladies Sunday Division 2 (B) (captain **Marlene Howes**) finished fifth.

SUMMER TENNIS LEAGUE

MID-WEEK TENNIS

A vote of thanks was expressed to **Betty Hutchinson** at the AGM for organising the Mid-week social play and I am pleased that Betty has agreed to undertake this responsibility again. Due to smaller numbers during the winter the men joined in with the women and this seems to be quite successful.

We are sorry that **Margaret Howman's** health is still not improving as we really miss her and Bob on Wednesdays and hope they will soon be well enough to come along to say hello.

Two mid-week teams have been entered in the Tennis West Inter-Club Leagues. The Grasscourt 45 team is **Maureen Watson, Jan Bogaards** (reserve), **June Rundle, Joan O'Boyle** (reserve), **Shirley Davies** and **Margaret Napier**. The Grasscourt 58 team is **Pam Gardiner, Jean Haley, Barbara Whitely, Lois Ker, June Hatten** and **Marjorie Crossen** (reserve).

Vacancies exist for mid-week social players of both sexes at a reduced subscription rate of \$112.00 a year. Organised play is on Wednesdays from 9.30am but there is also quite a few who play on Thursdays.

STATE LEAGUE

Our team this year will be similar to the line up we had last year. **Ryan Offer** moves up from Division 1 following his strong performance in last year's Club Championships where he made the single's final.

Mark Williams who is currently at university in the USA is expected to play some matches when he returns over Christmas.

The team has been training over the winter by playing in the winter tennis league. (successfully, as mentioned). This competition gave the players the opportunity and incentive to practice during the winter months.

JUNIORS

Tennis League

Congratulations to the Girls 16 & Under Division 1 team of **Bojana Bobusic, Joanne Carruthers, Michelle Grogan, Jo-lene Ellatt** and **Jana Cabak** (captain) who won a close fought final against Blue Gum to win their winter league.

Other team placings were:

Girls 16 & Under Division 2 (captain **April Thomas**) finished third.

Girls 14 & Under Division 2 (captain **Amy Peetz**) finished second.

Boys 14 & Under Division 2 (captain **Scott Marshall**) finished fifth.

Best of luck to all the teams in the forthcoming summer competition.

New Members

Welcome to two new junior members who joined over the winter months - Joel Moylan (Mathew's nephew) and William Marianta. Both will be looking to play in the Senior Tennis Leagues this summer.

Junior Winter Hardcourt Tournament

This tournament was held at Hensman and Wesley College in the first week of the July school holidays. Over 200 juniors participated. The weather was kind to us with only the Monday being lost to rain.

Hensman winners were:

Strahinja Bobusic	Boys 14 & Under Singles
Strahinja & Bojana Bobusic	Mixed 14 & Under Doubles
Nicholas Saracini	Boys 12 & Under Doubles

Many other Hensman players reached semi-finals.

Special thanks to **Keith, Peter, Peter and Tony** from Tennis Success for their help and support in running the Hensman match office.

Also special thanks to all the Hensman members and parents who helped make the tournament a success. A nice profit was made for the Club but the real benefit was to have top juniors playing at our Club and to give our juniors the opportunity to play in a tournament on their home courts.

Junior Committee

Ken McIntosh is looking to form a committee to help run the Junior club this year. Help from both parents and players is required for some of the administrative duties (ie membership records, contributing to the Herald, organising social events and an occasional club tournament)

Sarah Heather has already joined this committee and **Jade Mitchell** helped out with the running of the match office for the Junior Hardcourt tournament.

It is not intended that there will be many formal meetings. If you can help out please see Ken McIntosh.

GROUNDS AND HALL

The grass courts have now all been heavily verticut. The south bay looks very bare at present but we are hopeful that with some warmer weather and fertiliser the grass will be ready for some play on Opening Day.

With the wintergreen grass the thatch build up is tremendous. This is why the courts became so soft and spongy last season. There is hope that with the removal of all this (4 truckloads this year) that a hard even surface will result in a good even bounce again this year. The wintergreen grass is a prolific grower - that is why it is greener all the year round- so our management techniques need to change to accommodate this. Regular verticutting will need to be done twice yearly from now on.

A proposal to erect a wind break with saron cloth along the fence between each bay is being considered. Most of our tennis is played with a strong south westerly breeze blowing and it is felt that a barrier such as this will considerably reduce the unpleasant affect on our tennis play. The Board has applied for a grant to help defray the cost of this. The club house and it's surrounds are all looking a little tired at present and need a spruce up so a small committee is investigating the best way of achieving this with minimal cost to the Club.

The rest of the hardcourts are to have a lighting upgrade to the standard of the existing levels on courts 4 & 5 so night tennis will be more feasible and enjoyable in the near future. We have received approval and financial assistance for this project and it should be under way in the next few weeks.

We are looking for volunteers for Monday morning general cleaning and bin emptying. At present **Ross Totterdell** does it all by himself and is getting lonely. Any offers of help please let **Arnold Jones** know, even if it only for a few weeks of the year.

We are delighted that **Kevin Fitzgerald** is continuing to be responsible for the hall bookings.

Thanks to **Frank Thomas** and **Ken Smith** for revarnishing the seats along the front of the clubhouse.

SOCIAL NOTES

This year the Club is looking to involve a greater number of people in the organisation of social activities in order to 'share the load'. Last year was filled with frustration and disappointment despite the hard work and efforts of the few people who were involved.

It is extremely difficult to cater for functions when numbers are unknown, therefore it is important for the success of these functions that commitments are made as early as possible and that they are approached enthusiastically.

Over the last few years there has appeared to be a conflict of interest between 'Club Social Events' and 'State League Social Events' with functions often falling too close together. The Board of Management has agreed that the two groups should work together and that the profits made on these social functions can be shared accordingly. That is this year the 'Social Committee' and the 'State League Fund Raising Committee' will be working together.

SOCIAL PLAY

This summer *Social Sets* will be run as *Computer Sets* on **Saturdays** and *Manual Sets* on **Sundays** (whilst numbers are low).

Saturday is our busiest social day, so **Mike Howes** will be available to help the designated Saturday person with the *Computer Sets*. Because it is such a straight forward procedure, only one person is really needed at a time, so the person on sets duty will still get a number of games during the afternoon. Instructions on the operation of both *Computer* and *Manual Sets* are available in the Captains' room.

The Sets Roster is shown below and is also displayed in the Captains' room. If you are unable to do sets on your designated date, please let me know in advance so that a substitute date can be arranged. **DO NOT** just ignore it and not turn up.

HOW WELL DO YOU KNOW YOUR FELLOW CLUB MEMBERS?

Compiled by Cec Gardiner.

The following descriptions of some of our club members are entirely true. The comments in brackets are those of the editor and are designed to provide you with a little extra assistance in identifying the mystery member. All the people described are prominent club members who play regularly and participate in many club social activities. If you are sure that you can identify the mystery member, quietly confirm your ability with either **Lynnette Gardiner** or **David Hassett**. If you can not recognise some of the members, ask your friends to help, and then look for the correct answers in the next issue of the Herald.

Member A

Was born in Meedan, Indonesia. At one time a tuba player in a city band, the member claims that today his musical interest is almost entirely confined to being a Wilbur Smith fan. Employment has taken Member A to a variety of places including Melbourne, Brisbane and West Africa. (I think it was a natural shyness that made it so difficult to extract the above information from Member A - Ed) .

Member B

Was born in a nursing home in East Perth. This member's claim to fame includes working with Kenneth Moore and Susanna York in a well known movie. However this is balanced by the notoriety that stems from the member's involvement in a TV screened brawl at a football match in Fremantle. (Unlike Member A, Member B can not be described as shy and the claim to have become a polite, responsible and sober citizen is a little difficult to believe. - Ed).

Member C

Was one of a family of seven, and like many others in our club was born on the eastern seaboard. This member is a competent piano player but also achieved well on the sporting field being a state representative in under 12 basketball. (I guess this partly explains the slam dunk action for high volleys and smashes - Ed). Our member spent two years living in Ireland (that backhand action does look a little like an Irish hurling player's -Ed)

Member D

As a child member D excelled both as a dish washer and a pig feeder. At primary school he led the ruck but by secondary school he played as a rover. (I have no reason the expect that it was smoking that stunted his growth at this time -Ed). He broke his school's 100 metre hurdle record in his second last year . He played with Bruce Duperouzel in the sixties and was in the same team as Karl Langdon in the eighties. (Obviously sports minded, reasonably old, but durable -Ed).

Member E

Was born in a British Commonwealth country beginning with 'C', but moved to Australia at the age of two. Although there is no apparent linkage to France, this member was an avid garden snail eater as a young child. Coached by Don Harris at the age of six, Member E has been a keen tennis player ever since. (I wonder if snail eating would increase the pace of my forehand -Ed). Both this member's spouse and a sibling are members of the tennis club.

Member F

Is and all round sportsperson, winning championships and being a top administrator in both tennis and another sport. This member went to Ceylon for a twenty first birthday celebration, won a tennis championship in a prominent wheatbelt town and obtained car driving expertise by reversing up and down the back lanes of a large country town. (Maybe the arm action practised in car reversing has contributed to the in to out cross spin that Member F applies to forehand shots -Ed). This member met their spouse, also a clu member, at a political meeting.

NEW MEMBERS

We extend a warm welcome to the following recent new senior members:

Jack McNeilage	Judy Tyler
Donny Gunawan	Esme Bailey
Anthony Barquero	Tony Fitzgerald
Perry Wilkie	

In line with other sporting clubs leave of absence has been discontinued for some time. However members who are unable to play any season for various reasons may apply to be transferred to the NON PLAYING category. The cost per year is \$20.00. These members will continue to be on our mailing list and therefore will still receive copies of the Hensman Herald.
